

VISIT OUR COMPANION CONGREGATION IN TANZANIA!

St. Paul's very much could benefit if a person or two from the congregation would visit our Companion Congregation, Ikongosi Lutheran Parish in Tanzania in 2012! To go on the Synod-sponsored trip, one needs to apply now! Specifics on the trip are printed below. Members of St. Paul's are encouraged seriously to consider and pray about making this commitment. A fund has been established at St. Paul's to help travelers to our Companion Synod with some of their expenses!

The Adult Group: will travel 3 weeks between Sept. 10 and Oct. 10, 2012. The trip is for any age willing and able to endure the physical, spiritual and emotional rigors of a third-world trip. There will be time to explore life and mission in the Southern Diocese, to serve and walk in faith as fellow Christians, to delve into an area of individualized interest (preaching, companion congregation visit, medical, girls' secondary education, sustainable agriculture, well-drilling, other?), to share your experiences with others, to go on safari, and more! Estimated cost: \$3,500-\$4,000 US Dollars per person.

Please visit www.wisynod.org to obtain application forms, etc. and to learn more about this visit in 2012. These application forms are due no later than October 15! Is God calling you?
